Item Tagging:

Register to begin tagging your items at MyConsignmentSale.com/RepeatsAreNeat. The website gets you registered as a consignor and prepares your barcoded tags. You will be asked to enter your items with a short description, size,

price and whether or not you want your item to go half price or be donated if it doesn't sell. Once you have your items entered, you can either print your tags directly onto light-colored cardstock or print on regular copy paper and then cut and tape to a 3X5 index card. Please do not use dark colored or speckled paper which can cause trouble with scanning of the barcodes. Once you have your tags printed for each of your items, secure your tags with a safety pin on the top right of your items (see diagram). Use clear packing tape to secure your cards to toys, bags or other items where safety pins would not be appropriate. Make sure that you DO NOT tape over the barcodes. Taping over the barcode can cause problems with the scanning the code during checkout.

The barcoding website also allows you to log in during the sale and keep track of what items have sold or may be left for you to pick up. As an added bonus you'll receive your check more quickly once the sale is complete!

Pricing: Our minimum price is \$3. If you do not want your items to be sold at half price, make sure to check mark the X when you are entering your items on MyConsignmentSale.com/RepeatsAreNeat. They will be printed with an X to show that you do not want it sold at half price on the last day. Please price items in whole or half-dollar increments. (Ex. \$3 or \$3.50, NOT \$3.75).

Volunteer! Our volunteers make our sale continue to be successful! Shifts are available for setup before the sale, help during the sale, and sorting/cleanup after the sale. For helping with one shift, you can earn an opportunity to SHOP FIRST at an exclusive Volunteers Only sale and receive an Early Shopping 50 percent off voucher to get a 30-minute head start on the 50% off sale the last day of the sale. If you want to help more, your commission gets better with each additional shift!

Tell your Friends!

If you have told someone about the sale and they decide to consign, make sure to ask them to provide your name in the "referred by" section of the new consignor sign up on the registration website. I will give away a referral gift certificate each sale in a drawing with everyone who has been listed (one entry per referral).
